Fri, 25 May 2018 12:07:00 GMT Investigating Pristine Inner Experience... | WHSmith Books - If science is to be interested in the phenomena of pristine inner experience, as I think it importantly is, then science should work out rational ways of investigating phenomena. Counting reports of phenomena is one aspect of such investigation, but careful description of phenomena is of fundamental and arguably prior importance. However, as the science currently stands, there are very few ... On investigating inner experience: Contrasting
