RPG BOT - DnD 5e - The
Paladin Handbook - The
Faraway Paladin or Paladin
of the End (as it is listed) is
a very well written series
and one of my all time
favorites already even with
it being fairly new. The
Faraway Paladin is not your
typical isekai novel and it
most definitely doesn't have
all the flaws that many
other isekai novels have.
Paladin of the End - Novel
Updates - PAGE Turn the
Unholy. As an action, you
turn fiends and undead.
Each fiend or undead that
can see or hear you within
30ft of you must make a
Wisdom saving throw.
